Jan. 20th, 1858 Gentlemen of the Senate: On the 15th inst., a joint resolution, which originated in the Senate, fixing this, the 20th day of the month, for the election of the public offiers of this Commonwealth, was presented to me

for my approval and signature.

Construing the resolution to embrace the election of a Keeper of the Penitentiary, I am, with very great reluctance, constrained, by a sense of duty, to return it to the house in which it origin ated, with my objections to it.

By an act entitled "an act in relation to the Kentucky Penitentiary," approved March 10th, 1856, the Commissioners of the Sinking Fund were authorized to make a contract with the Keeper, at a fixed and stipulated sum of money, to be paid in annual instalments, and, in that event, by a provision of that act, "all laws re-lating to the Penitentiary, in conflict with the provisions of that act, and the lease made in virtue thereof, are repealed." It is known to you that such mr. PENNEBAKER—a bill for the benefit of Wm. Ray: referred to the committee on Claims.

Mental to the doubt about what law would be applicated to the Keeper, now elected, is a sufficient reason for me to withhold my approval of the resolution. I have held it up until this time in the confident expectation that the bill passed by the House of Representatives, and concurred in by the Sanate, with an amendment, would be finally active.

money containing \$243. The money was in four \$50, and four \$10, and one \$3 bills. It must have been lost somewhere between the State House and the Capital Hotel, by way of the Commonwealth office, or between the Capital Hotel and the Commonwealth office, by way of the Odd Fellows Hall, or between the Commonwealth office and Col. Hodges'. The finder, besides conferring an inconceivable obligation upon me, will, upon returning the money, receive a handsome reward. THOMAS M. GREEN.

The Penitentiary Bill.

In our paper, a few days ago, we announced our intention to continue the discussion of the merits of the controversy concerning the increase of the sum for the lease of the Penitentiary, but, by a reference to our report of the House pro ceedings of Saturday, it will be found that such a course would be superfluous. The House, on Saturday, passed the Senate's amend ment by an overwhelming majority, and to this fact we would call the particular attention of our respected cotemporary of the Lexington States man, who, for a time, thought that the Democrats should treat with contempt, the attempt on the part of the Americans, "to make profit out of crime." Although quite a number of very re spectable Democrats thought it highly culpable that the State should attempt to realize any ben efit from the labor of the convicts, they could not see the impropriety of a private individual, if he was a Democrat, accumulating a fortune from the same source. Some conscientious in dividuals were seriously alarmed for fear that Mr. South could not make much money by leasto overwork, or starve, the unfortunate convicts, some one who is above such temptation.

The Statesman says: "The present Keeper, who has for the last two years paid less than \$6,000, has suddenly discovered that he can afford to pay \$12,000, and our k legislators who have been for thirty years con tent to lease the prison to their own partizans as a sum far less than that amount, are just nov awakened to the importance of securing to the State an enormous revenue from crime."

It will take such little trouble to convince our cotemporary that the main assertion in the above extract is untrue, that we will undertake the task. years content to lease the prison to their own par tisans at a sum far less than" \$12,000, for the sim ple reason that it is only within the last two years that the prison has been leased at all. Prior to State and the Keeper, in which the Keeper re ceived one-third of the profits. While this fea ture continued, the State hardly realized a cent of profit from the prison, and the Auditor's books will show that the present Keeper is the only one who has paid money into the Treasury for many years. The K. N. legislators did better for the State by leasing the prison to him at \$6,000 per annum, than had been done by any previous Legislature since a State prison was first erected in Kentucky. He might possibly have been able to afford to pay a larger sum for the prison for the three years from March, 1856; but as the State the General Assembly, acting upon the report of the agent of the State, readily leased it to Mr. Ward at that sum-and we ask if honor required him to give more, when he could have got it for \$6,000? We think not. But within the last two years the profits of the prison have more than doubled, and Mr. Ward is now willing to give double the amount offered by him two years ago. rather than not have his lease renewed. We understand that several Democrats, also, think the can afford to pay that sum, and it Mr. South can not so manage as to pay as much as others can, he should not get the place. We hardly expect Mr. Ward to obtain a renewal of his lease, but do not think that Mr. South should have it unless he is willing to pay as much as shall be offered by equally as good Democrats as he is. Or, in other words, we do not think that the mere fact of his being the caucus nominee of the Democratic party, justifies the Democratic legislators in throw ing away \$4,000 of the State's profits for his benefit. Let him execute a bond for the payment of the \$12.000 per annum, or withdraw in favor of those who can do so.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afficted with Virulent and Epidemic diseases.

To all persons afflicted with Sexual Diseases, such as SPERMATORRHEA, SEMINAL WEAKNESS, IMPOTENCE, GONORRHEA, GLEET, SYPHILIS, the Vice of ONANISM, or SELF-ABUSE, &c, &c.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.), and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.
